Hi Cindy,

Enclosed you will find a check for \$5236, to cover in full the roofing/gutters you installed at my son's house, located at 8921 Becker, Allen Park, Michigan. I thoroughly enjoyed doing business with Mark Dowell. He is a very nice person, and made me feel at ease when he explained everything. And, he was always available for my calls. He is an excellent salesman. I intend to recommend your company for anyone that needs a roof. Please, could you congratulate him on his marriage! Also, I appreciated that Roger was willing to work with me regarding a price.

Thank you.

Sincerely,

Ernestine E. Lawrence
